

```
1 namespace ConsoleApp1
2 {
3     internal class Program
4     {
5         static void Main()
6         {
7             var s = new Queue<int>();
8             s.Enqueue(1);
9             s.Enqueue(2);
10            s.Enqueue(3);
11            s.Enqueue(4);
12            foreach(var i in s)
13            {
14                Console.WriteLine(i);
15            }
16        }
17    }
18 }
```
